ORDER

This case is set for trial on April 2, 2007, but because I extended the time for filing motions, there is not sufficient time for me to rule those motions before trial. I will therefore remove the case from the trial docket and will reset it at a later time. The parties are cautioned that this does not reopen any case management deadlines that have already passed.

IT IS HEREBY ORDERED that this case is removed from the April 2, 2007 trial docket, and will be reset at a later time. The parties' obligation to file pretrial submissions and motions in limine is suspended pending entry of the new trial date.

CATHERINE D. PERRY
UNITED STATES DISTRICT JUDGE

Dated this 5th day of March, 2007.
